

LWW Classic Books Collection

Expand your health science resource collection with perpetual, cost-effective access on the Ovid® platform to nearly 1,100 books from Lippincott Williams & Wilkins, one of the world's leading sources of medical, nursing, and health science research. Each title is the edition previous to the most current — that means users can easily find important earlier studies, theoretical developments, techniques, and interventions in medicine, nursing, health professions, pharmacology, behavioral sciences and more.

Why LWW Classic Books Collection?

- Access cornerstone and Doody's-reviewed titles from one of the most trusted names in health science research.
- Fill specialty or therapeutic area gaps in your health sciences resource collection.
- Quickly and affordably expand your institution's eBook portfolio.
- Evaluate books for acquiring subsequent editions.
- Books@Ovid enables users to browse the collection by title or subject, navigate to a single, expandable table of contents, and apply a limit to search by one or more titles.
- With Ovid Jumpstarts, users get hyperlinks to book chapters, topics and tables of contents.

Nearly 1,100 Editions of Top Lippincott® Titles Across 50 Health Science Specialties

Enjoy the benefits of the Ovid® platform:

- Choose from a variety of search modes — including natural language — and customizable features, functionality, and tools
- Search simultaneously across all your Ovid full-text, bibliographic, Open-Access, and multimedia content using just a single query
- Organize and manage all Ovid and non-Ovid research in a dedicated work area
- Stay up to date on current and upcoming theories, developments, and techniques with AutoAlerts and RSS feeds
- Take advantage of powerful search functionality, flexible and timesaving workflow tools, and intuitive interface
- Enjoy award-winning, 24/7 consultative support services in 20+ languages
